What will it matter by and by Whether unbeined, I toiled alone, teaching my foot against a stoor, discorn the charge of the angel nigh Bidding me think of the by and by:

What will it matter by and by
Whether with laughing joy I went
Newn thro' the years with a glad contest
Never itsileving, nay, not i,
Tears would be awaster by and by? What will it matter by and by Whether with theek to theek I 've lain Close by the pathal angel, Pain, Scothing myest through sob and sigh; "All will be sleewise by and by?"

What will it matter? Naught, if I dwiy am after the was I've tred Gloomy or gastdened, leads to find Octoberous not of the how he way, If I but reach this by and by?

What will I care for the unshared sigh, It, in our fear of slip or call, Thicky I've dome to Christ through all— Missiless how rough the pash night ire, Since he will amount it by and by?

healthy to go to bed at eight o'clock, and Johnny bribed with a cent to break into myriads of and Johnny bribed with a cent to brilliant diamonds, while in the permit himself to be tacked away at steamer's wake, far as the eye could sundown. He sneaked up the path, one eye on the dog, and the other fire.

STRANGE IF TRUE.

One cold, raw day in 1832, a young sergeant de service of the Trainor Palace, at the peril of his own life, dragged out of one of the artificial dragged out of one of the artificial evening, and she replied that her father predicted a snow storm He said is guessed it wouldn't snow, as the moon wasn't crooked chough

just commerced to lock fingers with her, when she discovered somethin ailed the lamp. She rose up and turned the light down half, making the room look dim. It took him five minutes to get hold of her time. After a long pause be lower ove each other. She bit her bandkerchief and admitted her ignorance. He said he could name a dozen young men who were going to get married right away, and his left arm fell down and gave her a hug Then he went over and looked out of the window to make sure that it was not going to snow, and, coming back, he turned the light down a little more, and then sat down and

very shadow as long as be lived, he family lived for a number of years raised the window and called to her in a log bouse, and after Miss Collins as she was pick ng up chips in the had lain in bed about ter years, all
